

OF STERLING VALUE....

Is a piece of fine CUT GLASS. It is something which will not wear out and is an ornament when not in use. You will find here several very choice pieces of CUT GLASS marked to sell at prices much lower than their real value; and you cannot make any mistake in the purchase of one or more pieces. CUT GLASS, like Diamonds, always has a market value. Libby Cut Glass, Gorman Sterling Silver

WILL VISIT OLD HOME

George McIntyre, who drives a truck for the Wittenberg company, has gone to Barry, Illinois, to visit his mother, whom he has not seen for thirty years. He will arrive on Christmas day and will doubtless be a welcome guest.

THREE APPOINTMENTS ARE TO BE MADE

TWO TO ANNAPOLIS AND ONE TO WEST POINT BY SEN. ATOR PITTMAN

Editor Bonanza, Sir—The attention of the young men of the state is called to the letter from Senator Key Pittman, addressed to the president of the university, relative to his making two appointments to Annapolis and one to West Point.

The requirements for entrance to West Point and Annapolis are as follows: Spelling, grammar, geography, arithmetic, United States history, algebra (through quadratic equations) and geometry (plane).

If the state of Nevada is to be represented by some able young men they should be preparing themselves and should be ready to appear for examination at the University of Nevada on Tuesday, February 1, 1916. The university will conduct these examinations and any one who feels that he is prepared and is desirous of this appointment, should notify Captain H. L. Applewhite of his intention to take the examinations.

Very truly yours,
A. W. HENDRICK,
President U. of N.
Reno, Nev., Dec. 20, 1915.

WEEK'S DEVELOPMENT IN THE JIM BUTLER

INTERESTING SHOWINGS MADE IN DESERT QUEEN—WANDERING BOY UNCHANGED

In the Desert Queen property of the Jim Butler Tonopah Mining company the 401 east drift now shows 4 feet of very good ore. The 506 west drift is going through the Stone Cabin fault, getting low values. The 508 raise is in trachyte. The 510 and 511 crosscuts are in the same formation.

Two feet of vein, carrying low values, shows in the 622 west drift. On the 624 west drift there is an 8-inch seam of good values. The 621 crosscut is in trachyte. In the 803 raise an 18-inch vein shows low values. In the Wandering Boy there is nothing new to report. All the stops are unchanged, the tonnage and values being practically the same as last week.

JUBILATION OVER LAS VEGAS VICTORY

JOLLIFICATION HELD DURING ASSEMBLY PERIOD AT THE HIGH SCHOOL

During the assembly period yesterday at the high school a jollification was held over the victory won by the girls' basketball team over Las Vegas on Saturday last. Each girl of the team and Coach Cross was called on to explain just how it happened and each received a hearty cheer from the student body. It would be hard to tell whether the girls or the boys are the proudest over this first victory of the season, but there is no doubt but that the girls will be state champions if the boosting of the boys can help them win that title.

This morning the Winnemucca girls' team passed through the city on their way to Goldfield, where they play this evening, and a good big delegation from the high school went to the train to meet the team that plays here Wednesday evening in the high school gymnasium.

MURRAY VEIN CUT IN THE VICTOR ESTATE

ALL OTHER PROPERTIES OF THE EXTENSION ARE MAKING A GOOD SHOWING

The Murray vein has been cut in the 1450 south crosscut from the Victor shaft. It is four feet wide. The ore is low grade. A drift is being run westerly on the vein. It is expected that a lens of ore will be encountered in about 200 feet.

The crosscut will be extended toward Extension workings. A distance of 400 feet must be made and it will be several months before the workings are connected up. A winze is being dropped from the 1350 of the Extension to meet the crosscut.

Ore is being extracted from the vein recently cut in the Merger. In the Extension proper all operations are almost identical to those of a week ago, with the mill running full capacity and ore being extracted from many places in both the old and the new workings.

VERDICT IS FOUND FOR THE DEFENDANT

RAILROAD WINS IN DAMAGE SUIT TRIED IN THE UNITED STATES COURT

After deliberation for about eight hours, the jury in the United States court in the damage case of William O'Brien against the Las Vegas and Tonopah railroad company brought in a verdict in favor of the defendant company. The plaintiff brought suit for damages for personal injuries in the sum of \$31,134 and the case was begun last Monday. The trial has attracted considerable attention, owing to the fact that the alleged injury of the plaintiff in the case occurred on July 2, 1913, two days after the Nevada industrial insurance act went into effect and at the time the company had not accepted the provisions of the act. As the result of the so-called compensation act the assumption of negligence was thrown upon the defendant company and it devolved upon it to rebut that presumption. —Carson News.

REPORT NEEDY CASES TO CHIEF OF POLICE

EVERYTHING IS BEING DONE BY THE RELIEF COMMITTEE TO AID THE POOR

Time is growing short for relief work before Christmas. The relief committee is doing everything possible to see that there shall be a joyous, happy Christmas time for every person in Tonopah. It must be remembered, however, that the members of the committee are neither omni present nor omniscient and cannot know every case needing assistance unless they receive information from others.

They urge again the necessity of reporting to Chief Evans every case where it is known or suspected that relief is needed. Not a single reported case will be neglected and those already reported will be helped occasionally, as their necessities may require, and it will be done without any publicity, whatever.

MUNICIPAL WATER SYSTEM

A special election has been ordered for the town of Lovelock, for the purpose of voting on the proposition of bonding the town for \$90,000 to build a water system.

PERSONAL

L. P. KIMBALL of Springdale is stopping at the Mizpah.

H. A. DARMS, the coal operator of Goldfield, is spending today in Tonopah.

COL. W. D. MOODY and wife and Joe Wylet autoed over from Goldfield today.

THOMAS J. PEARCE and wife of San Francisco are guests at the Mizpah.

MAURICE J. FINK was a passenger today from Goldfield en route to Reno this morning.

CHARLES FOSTER left for Los Angeles yesterday to attend the funeral of his sister.

EUGENE HINKEL was a passenger this morning for Sacramento, where he goes to spend the holidays with his mother.

CHARLES WITTENBERG, H. D. King and Frank Helm motored out to Reveille this morning to look at a mining property.

CAPTAIN W. G. COTTER drove in from Golden Arrow last evening in his auto and will leave by train tomorrow for Reno to spend Christmas.

JOE COOK and wife and Mrs. George Lindsay autoed over from Manhattan last evening and are spending the day doing Christmas shopping.

MRS. E. J. ROUX and child, accompanied by Mrs. Roux' mother, returned yesterday from Sacramento where they had been on an extended visit.

FIRST LICENSE THIS MONTH

A marriage license was issued yesterday by Cupid Pohl to Tom Zambelon and Vera J. Lawrence, both of this city. Mr. Pohl says that this is the first license that has been issued in Nye county this month.

Mr. Zambelon and Mrs. Lawrence were married at 2 o'clock yesterday afternoon by Judge Averill.

CARD OF THANKS

We, the sisters of the late Charles F. McCormick, who died so far from us, his surviving relatives, desire to extend our gratitude to those who were so kind to him in his illness and so sympathetic at his death and funeral.

MRS. W. J. BONNETT,
NETTIE MCCORMICK.
Adv. D2111.

TEMPERATURE REPORT

Highest temperature yesterday, 37; a year ago, 19.
Lowest temperature yesterday, 31; a year ago, 8.

CLOSING OUT SALE

NEW TODAY

Coffee

To keep coffee fresh on its way from the roasting plant through the grocery store to your kitchen was long an unsolved problem.

The airtight tins in which Schilling's Best is packed have solved it.

They keep all the flavor in; and all the odor out. They make such fine coffee practicable—and economical.

It goes further.

Schilling's
Best

PNEUMONIA CLAIMS WELL KNOWN MINER

Edward Mitchell died at 11 o'clock last night at the Mine Operators' hospital, where he was removed from his cabin last Tuesday. The deceased was stricken with pneumonia. An heroic effort was made to save his life, but he seemed to have no desire to co-operate with the doctors, but in his delirium raved despairingly.

Mr. Mitchell was a leaser in the Montana-Tonopah. In the operating days of the "76" he was foreman of that property. For a number of years he resided in Tonopah and worked in several properties. He was a native of Wisconsin and was aged about 50 years. He was a widower. Two children in Butte survive.

PREPARATIONS FOR COMMUNITY TREE

STAGE IN AIRDOME IS BEING ENLARGED FOR CHRISTMAS ENTERTAINMENT

In order to accommodate the enormous Christmas tree provided and still have room on the stage for the fifty children, taking part in the program, the committee is having the stage in the Airdome much enlarged for the community Christmas celebration. The little people are practicing hard every day to have their part of the program in readiness.

The thousand sacks of candles will be ready for the thousand happy Tonopah children. Santa Claus will do his very best to show what a jolly good fellow he is. What a time it will be!

The celebration begins at 1:30 p. m. sharp on Saturday, Christmas day, at the Airdome.

ROUND MOUNTAIN CO. MAKES GOOD SHOWING

ALL INDEBTEDNESS IS PAID AND THE CORPORATION HAS A CASH BALANCE

The Round Mountain Mining company has issued a statement of production and costs from April 1 to September 30, inclusive. Bullion sales amounted to \$142,569.77 and miscellaneous earnings were \$2,591.84. The net lode operating realization was \$33,852.30. The new placer realization was \$24,178.83, making a total of \$58,031.13.

The total cost of the Jett creek pipe line, water rights and placer equipment, amounting \$192,887.78, has been paid and the company has no debts. Cash on hand September 30, 1915, was \$7,544.90.

AMUSEMENTS

BUTLER THEATER

Tonight's program at the Butler will consist of the Paramount travel pictures which are always interesting, as well as educational, and a five-reel thrilling picturization of the tense emotional drama "The Moth and the Flame," by Clyde Fitch, with a Famous Players cast. The picturization of this great morality drama, present with all the realism of life itself the dominant elements of that great stage success of the same name. The poor little moth is blinded by the flame, until she cannot see the fatal perils threatening her. Just on the verge of her great error, her vision returns, and with the resultant extinguishment of the flame, the moth sees her danger, and is saved—terribly scorched in heart, but with her soul rescued from the devouring fire.

Tomorrow, "The Sentimental Lady," a five-part drama of Wall street gas stocks, a summer resort and a daring young attorney who successfully mixed both law and love. It is founded on the play by Owen Davis, and Irene Fenwick appears in the leading role.

MOTION IS DENIED

In the district court yesterday afternoon Judge Averill denied a motion to strike out the complaint in the case of J. R. Young vs. The Gold Mountain Mining and Development company. This matter was argued and submitted some time ago.

All toys, games, dolls and similar lines of holiday goods will be closed out at from 25 to 50 per cent off. Splendid new novelties for gifts. Rotholz Bros. See us. —Adv. 9124
